Practice Management Integration

About Compulink Advantage by Compulink Business Systems

Headquartered in Westlake Village, California, Compulink is a market-leading developer of Practice Management, Inventory Management and Electronic Health Records for Eyecare Professionals. Compulink's Ophthalmology Advantage and Eyecare Advantage products provide all integrated elements essential to managing a practice and making it paperless. Functions include exam auto-coding for billing compliance, document scanning, drawing, image repository, resource scheduling, recalls, marketing and equipment interfaces. The software also offers insurance management with user-defined claim edits to prevent claim rejection, HIPAA compliant electronic insurance billing (direct, clearinghouse and remittance posting), an inventory module with dispensing, automated charge posting using up to 1000 unique fee schedules and seamless lab integrations. Fully customizable throughout, Compulink Advantage clients are able to make this product as unique as their individual practice. For more information, visit **www.compulinkadvantage.com**.

About VisionWeb

Headquartered in Austin, Texas, VisionWeb is the leading provider of software and technology solutions to the optical industry. VisionWeb offers convenient, direct-to-supplier online ordering; online multi-payer insurance transaction processing; and other services for opticians, optometrists, ophthalmologists, optical manufacturers, laboratories, distributors, payers, and patients. For more information, please visit **www.visionweb.com**.

Compulink Advantage
by Compulink Business Systems

Order Direct to Your Suppliers with Ease

VisionWeb and Compulink Business Systems, Inc. have integrated VisionWeb's online ordering service with Compulink Advantage practice management software. Using the integration, you can place orders to your suppliers without having to access the VisionWeb site or re-key order information into another system.

Your practice will save time and reduce duplicate data entry, while still gaining the benefits of VisionWeb's online ordering service, including:

- Direct access to hundreds of suppliers from one interface
- Custom catalogs and error checking to improve order accuracy
- Improved turnaround time on orders placed electronically
- Ongoing technical support and customer service

Customers with Compulink Advantage version 8.1 and above are compatible with the online ordering interface with VisionWeb.

Getting Started

Compulink customers seeking the ability to place spectacle lens orders to laboratories via the Compulink Advantage integration with VisionWeb should contact their Compulink Sales Representative at (800) 456-4522.
